Dear Mr Keating,

I would like to take this opportunity to congratulate you and your company for another excellent year in obtaining outstanding results from your last Safe-T-Cert audit.

This is a great achievement and you should be rightly proud of it, the scheme and the auditing standard are of the highest order, which adds even greater credibility to this result.

I am sure with your past success you will continue to maintain and build on this standard and to strive for ways to improve the way you manage your health and safety risk, but your excellent progress in the Safe-T-Cert scheme gives me confidence that you can do it... best wishes for the future.

Yours sincerely

Bev Messenger
Chief Executive
